SAFETY & SECURITY

Guardian garage door openers are manufactured to comply with the latest industry standards. Our advanced, steel-enclosed, water-resistant, photo-eye system ensures the highest degree of reliability in detecting obstructions during operation.

CLEARCOM® TECHNOLOGY

Your secure code is communicated to your opener over two frequencies. This provides a more reliable response when frequency interference is near.

OPTIONAL CONVENIENCE ACCESSORIES

Ask your dealer about adding more convenience and control with your new operator.

Wireless Keyless Entry Keypad

never be locked out

An entirely weatherproof, wireless keypad that allows quick and secure access to your garage door. One keypad can control multiple Guardian garage door openers.

Item # WKCC

2-Button Remote Control

convenience with style

Comes equipped to clip on your visor or mount to a wall.

Controls up to two Guardian motors

Item # R2BCC

Premium 3-Button Mini Remote Control

for active lifestyles
